Letters Sent Home this Week:

Literacy booster sessions– pupils
attending Tuesday sessions.

Mock SATS– Year 6.

Dear Parents/Carers,

Well it has certainly been a soggy week. Please be aware that the paths are very slippery at the moment so please take extra care walking to and from school.

This week we had Dani from Earl Mountbatten Hospice in to talk to the children about 'Walk the Wight'. We are hoping that the majority of children will register this year as we will be able to use their golden mile laps towards the 26 mile total. The registration forms are attached to the newsletter so please complete them and return to school by 1st March. We will then register the children. If every child raises a couple of pounds we can make a sizeable donation to the hospice and the children will be getting exercise in the process.

Walking together as a school for the last 4 miles in May is always great fun but is not essential.

The 'Parent Voice' group met on Wednesday and raised some interesting points. One was around pencil cases in Key Stage 2. I have spoken to all of the staff and it has been agreed that all children in Key Stage 2 can bring their own pencil cases to school containing, pencils, rubbers, rulers and felt tips but no marker pens or toys please.

The group also mentioned how well the new drama club is going. If you have any suggestions for a club or any hidden skills you would like to share please contact the school office as I am always trying to widen the range of clubs we offer.

The group are still looking for new members, so if you are interested please contact the school office.

Sorry to have to bring up parking again but we have received a complaint from the Community Centre about parents using the car park in the morning especially. Please do not use the school staff car park either. Could we please ask you to only park in the car park opposite The White Lion and the overspill car park at Arreton Barns.

Let's hope we have a drier weekend.

Yours sincerely,

Mrs Maria Herbert

Worship

This week our Worship theme has been 'Helping Others'. We have been reflecting on how we can help our friends and family with both our words and actions.

The talk by Dani from the hospice reminded us how we can help our wider community and people we do not know.

When the Bible tells us the story of 'The Feeding of the Five Thousand' we are reminded of how one small boy was willing to give to help others.

John 6 V9 "There is a boy here who has five loaves of barley bread and two fish."

Quick Messages:

-Year 1 and 2 are looking for an aluminium sink to use in their outdoor mud kitchen. If you have one you are able to donate it would be much appreciated.

-Due to Mock SATS for Year 6 next week, all read together sessions will be cancelled.

-If you are taking part in Isle Rock, please return the letter ASAP regarding face paint and transport.

-Reception Class would really appreciate any donations of boys school trousers, thank you.

-When waiting for the top gate to open before and after school, please allow enough room for people going to and from preschool, thank you.

-Year 6 have cancelled their open classroom on Friday 2nd February at 2pm.

Mufti day – Friday 9th February

On Friday 9th February we are having a mufti day to raise funds for our two charities. The theme is going to be colours. Each class has chosen a colour. In exchange for £1 you can wear anything you like but something you wear must be your class colour, it could just be your socks.

We have put a list of the class colours below.

Thank you for supporting us with this fund raiser.

Arreton House Captains

Class	Colour
Gruffalo	Pink
Paddington	Green
Elmer	Red
Aslan	Orange
Gandalf	Turquoise
Potter	Black
Hylas	Yellow

Events

Well done to the U11 team for their 4-1 win against Godshill Primary on Friday 12th January.

Year 5 and 6 have had a visitor this week working on their Yarmouth Pier Project.

A full report on both events will be in the end of term 'Arreton News'.

Kaidan's Jewellery Box

Kaidan brought in a project he has been working on at Wise workshop this week. He has designed and handmade a jewellery box and wooden pendent. The attention to detail is quite amazing, especially for someone so young. He has worked so very hard and should be very proud of his fantastic effort. Kaidan clearly has a talent and we're all looking forward to seeing his next project when it's finished. Watch this space!
