FRIDAY 23RD SEPTEMBER

"Room to Grow"

On Monday 26th September we will be holding a key stage one celebration assembly and on Friday 30th

September we will be holding one for key stage two, parents/carers will be invited by text. Nearer the end of term the children will be holding class and celebration assemblies. Dates will be confirmed nearer the time and all parents/carers in that class will be invited.

The new activity zones at lunch times have been a success and the children are really enjoying it. The change to drop off times in the mornings is also working well, with staff commenting that it is very useful to be able to talk to the children each morning before registration. We hope you are also finding the new routines beneficial.

After School Collection

As soon as your child has been collected/met you they are then under parental supervision.

Please ensure you vacate the school field by 3pm.

Sweetcorn Fair

We hope to see many of you at the Sweetcorn Fair this weekend! Thank you to all of the parents that baked cakes and have offered up their time to help at the fair. Hopefully we will raise lots of money this year for Arreton PTA (previously FANS).

FOOTBALL RESULTS

Our year 5/6 team had their first outing of the season on Tuesday, playing Barton, Lanesend and Carisbrooke in 3 closely played matches. The team was made up of, Jamie, Riley, Alfie F and Alfie R in year 5 and Ollie, Oskar, Max, Mia and Travis H in year 6 with Danny as their captain.

The whole team played very well. Jamie

playing superbly in all games as goalie, Danny setting up some beautiful opportunities and being a very sporting captain and Mia who will no doubt soon to be playing for England!!

Travis and Riley made for a formidable defence, both Alfies, Max, Oskar and Ollie taking turns in mid field, wing, defence and up front, all truly versatile players.

Scores are never important, but we sadly didn't make it through to the next round, despite numerous shots on target in all games.

A big thank-you to all parents and friends of Arreton for turning up and offering their support.

Nice work team.

Hedge cutting

Mr Backshall has been in touch with Island Roads regarding the overgrown hedge just past the White Lion public house. They are aware of the problem and have already issued a 'hedge notice' to the land owner requesting them to cut it back.

If the land owner does not reply then another process begins whereby they contact the Council to get permission to cut the hedge themselves and then charge the land owner. Island Roads are fully aware of the risks for parents and their children as the hedge is restricting the width of the pavement, however are unable to do anything initially until the 14 day notice period has elapsed. They did say though that if parents expressed their concerns to Island Roads it may speed up the process which could take weeks. We would urge parents to do this, they can be contacted on Tel: 822440
