Mardi Gras - Saturday 30th June

Dear Parents/Carers

This afternoon Cathy from the New Carnival Company came into school to talk to the children about this year's Mardi Gras. Last year the children who took part had a fantastic time and this year we are hoping that even more children will be involved. This year's theme is Bio-spheres and we have been given the Island of Lanzarote to represent. This is a volcanic island so we are planning lots of costumes around flames and fire.

Following feedback from last year we are going to run things slightly differently. We will be running 10 workshops for children only, where they will design and make their own costumes. The workshops will be run by school staff. After Easter we will be holding some adult workshops to create the more complicated parts of the costumes.

The workshops will be on Wednesday 3pm - 4pm. They will begin on Wednesday 7th March. To cover the cost of the costumes we will be charging £10 per child.

Please complete and return the form below with your payment by Friday 2nd March.

Yours sincerely,
Mrs Maria Herbert
