Dear families,

Another exciting few weeks at Arreton!

Last week saw our annual Sports Day. Thank you to everyone for your patience and understanding as we adapted the events at the last minute to accommodate the unprecedented heat. Despite the high temperatures, the day was a great success, and the children thoroughly enjoyed themselves.

This week, our Year 5 and 6 children walked to the Steam Railway, where they enjoyed an exciting day learning about rationing, steam engines, and the experiences of evacuee children during World War II. The ride on the steam train was the clear highlight of the visit, and the children were eager to continue their learning back in school the following day.

On Thursday evening, we held our long-awaited Jazz Night. Everyone enjoyed a wonderful evening of music and refreshments. A huge thank you to Luke Mulhern for providing the music and instruments, and to the staff team for supporting Leo with the planning and organisation of such a successful event.

Today, our Year 6 children attended the Leavers' Service at Portsmouth Cathedral. It was a truly memorable experience, with the children captivated by the size, beauty, and splendour of the cathedral.

As always, none of these events would have been possible without the dedication and support of our wonderful staff team and families. Thank you for everything you do to make our school community so special.

Mrs Coates
