

Arreton St Georges CE Primary
PE & SPORTS PREMIUM PROPOSED PLAN 2019 / 2020

What is the Primary PE and Sports Premium?

1. The Primary PE & Sport Premium is funded jointly by the Departments for Education, Health and Culture, Media and Sport and is additional funding allocated to all schools. The funding is ring-fenced and can only be spent on provision of PE and sport in school. We receive the money as 2 separate payments totalling £17,662.

Purpose of funding:

2. Schools must spend this additional funding on improving their provision of PE and Sport.

The four objectives of the Primary PE and Sport Premium funding are:

- a. To improve the quality of existing PE teaching through continuing professional learning in PE for generalists, so that all primary pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports.
- b. To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence.
- c. To increase the quality of initial teacher training in PE and sport, and to promote PE specialisation in primary level workforce.

Schools understand and value the benefits of high quality PE and sport, including its use as a tool for whole school improvement.

3. Possible uses for the funding might include:

- a. Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE.
- b. Supporting and engaging the least active children through new or additional (Change4Life) clubs.
- c. Paying for professional development opportunities for teachers in PE and sport.
- d. Providing cover to release primary teachers for professional development in PE and sport.
- e. Running sport competitions, or increasing pupils' participation in the School Games.
- f. Buying quality assured professional development modules or materials for PE and sport.
- g. Providing places for pupils on after school sports clubs and holiday clubs.
- h. Maintaining and purchasing equipment and resources.

4. Sports Participation. The Federation champions quality PE. In recent years, participation at festivals and competitions has steadily increased. This has necessitated allocating part of the budget to transport costs. Sports after school clubs were also limited. We now coordinate a wider range of activities for

all year groups including athletics, football, tag rugby, cricket and dance. Our football team has been particularly successful in 18/19, winning 2 trophies. There is an emphasis on physical activity in the after school clubs providing a range of skill/games sets, in addition to a range of other clubs including gardening. Additional coaches have also been employed for some sports activities. Our emphasis on physical activity and wide participation is improving sporting outcomes and participation by pupils. In 19/20 we aim to improve lesson resource provision.

- a. Participation of pupils at competitions has increased from approximately 30 pupils annually (2013) to over 60 representations now (from approximately 45 different children).
- b. After school club participation is approximately 70-80 pupils per week when previously it was 10-20 (1 or 2 clubs per week).
- c. Y6 swimming, 93% of pupils achieved 25M swim and associated swimming skills.

5. Budget allocation. Funding for 18/19 was broadly spent as follows:

Equipment	£3K
Membership fees	£0.5K
Clubs	£1.5K
CPD/Coaching	£7K
Events/festivals	£4K

Arreton St Georges Primary School 2019/20 allocation: £17,580

This Year's Proposals:		
What will we use it for?	Cost:	Impact:
Purchasing of equipment	£3,000	<p>Increased quality and range of equipment for PE sessions, training and competitive sport.</p> <p>New equipment to broaden activities that the children would not normally participate in such as performing arts, tree climbing, martial arts and cycling.</p>

Entry and membership fees / SGO programme subscription	£500	<p>Maintaining the range and level of sports available to our children as extra-curricular and competitive sports.</p> <p>We will investigate participation and accreditation in the Schools Active Mark scheme (Bronze).</p>
Provision of extra-curricular clubs	£1,500	<p>Increased range and number of after school clubs activities available to all ages.</p> <p>We are also investigating adventurous residential opportunities.</p> <p>Skateboarding - £500</p>
Continuous Professional Development	£1,500	<p>Increased quality and range delivered within the curriculum and extra-curricular sessions.</p> <p>PE Planning scheme (eg Cambridgeshire scheme)</p> <p>Cluster meeting – 6 teacher hours</p>
Coaching	£1,500	<p>Specialists used to increase student knowledge and enjoyment in a range of activities and allowing current teachers to learn the necessary skills.</p> <p>We are also investigating the continuous provision of water sport activities following on from the sailing initiative of 18/19.</p>

Increasing opportunities to participate in inter-school competitive events	£2,000	Allowing children the opportunity to compete against other school in a variety of locations, both on and off the Island. This will involve travel to events during school hours and those involving whole year groups
Specialist Internal teaching of PE and supporting sporting activities	£4,000	PE specialist with in-depth training over a number of years to work alongside teachers/teaching assistants to promote a more diverse & quality sports curriculum. Allocation of preparation, covering, supervising, coaching hours: Netball – 30 teacher/HLTA hours Athletics – 45 teacher/HLTA hours
Additional “booster” swimming (in addition to curriculum allocation)	£1,000	Identified children who have do not have water safety/ swimming to be competent, and to aid those at risk of not getting 25M at KS2
Sports Crew Uniform	£100	Sports crew to coach/ marshal/ referee children at break /Lunch. Sports crew to support in PE sessions at inter-school sporting events.
Transport	£2,480
