

# Arreton CE Primary - School Travel Action Plan (STAP)

## Our Policy

Arreton CE Primary School encourages and supports the whole school community to travel more actively and sustainably where possible.

Studies show that travelling actively can help develop physical and mental well-being, social interaction, independent travel skills and good road sense. This helps ready our children for when they leave the school to go to transition into secondary education.

We currently work with a range of external providers, such as Wight Cycle Training, the 'SHIFT-IT' Awards Programme and the Isle of Wight Council, to keep up-to-date with any appropriate schemes, training or grants that help us deliver our School Travel Action Plan.

## Our Current Offer

- **School Travel Action Plan** – We have a current plan that is reviewed annually.
- **Cycle Training** - We have training sessions for all ages and abilities. Bikeability is offered to Year 6 pupils.
- **Scooter Training** – Playground sessions are run by Wight Cycle Training.
- **Road Safety Training** – We actively engage with National Road Safety Week and school programmes offered by outside agencies e.g. Fire Service.
- **Storage Facilities**  
**Cycle/Scooter Storage** – Our current storage is in the rack at the front entrance, which enables pupil's bikes and scooters to be stored safely and securely.

## Arreton CE Primary - School Travel Action Plan (STAP)

### Our Achievements in 2017-2019

#### We have:

- Increased the numbers of our school community travelling actively and sustainably.
- Engaged with the 'Shift It' programme all year and received the BRONZE and SILVER SCHOOLS AWARD!
- Offered every KS1 & KS2 pupil some form of scooter or cycle training, including Bikeability for Y6 pupils.
- Run a weekly Parent & Child School Walk to Arreton Cricket Club (Summer Term 2019)
- Offered every child in the school some form of cycle or scooter training – from Balanceability to Bikeability.
- Used the Shift-It data collection app to keep track of the schools travel mode habits and trends.
- Reviewed the current STAP.
- Taken part in an Active Travel Challenge event in March 2019.
- Continue to promote park and stride from Arreton Barns to the parents.

### Planning Ahead 2019/2020

#### We plan to:

- Add active travel information to the school website.
- Complete Active Travel Challenges, which reflects the emphasis we put on healthy and active children as well as encouraging our school community to consider the environmental impact of the school run.
- Increase frequency and classes using of the Shift-IT data collection app.
- Plan to add sustainable transport theme into the curriculum plan for the year to achieve the GOLD AWARD! <https://www.sustainablelearning.com/resource/future-transport>
