Dear Parents/Carers,

I would like to say how touched and grateful we have all been for your many messages of support during what has been a very difficult and emotional week for us all. You should all be very proud of your children and the way they have conducted themselves and supported each other and us. They have given us the strength to get through the week.

The Special Assembly today was amazing and we hope has given some closure to the children.

At the moment the school is filled with the sounds of our show songs, children learning various dance routines or lines from Macbeth. The children are all very excited to take part in all the performances taking place this term.

Next week we are very excited to have an Author visiting on Monday afternoon to work with the children in KS2. You should all have received a letter introducing the author and introducing you to his books.

On Wednesday Aslan class are being visited by AMEY with their re-cycling workshop. So be prepared for them to come home with some new ideas of how you can re-cycle.

Aslan class are going to build their own class igloo, in the absence of any snow and ice they are going to be using milk bottle cartons. Any 4 pint cartons plus their lids would be very welcome.

Have a good weekend and see you all on Monday.

Yours sincerely,

Mrs Maria Herbert
