Head of School: Mrs M Herbert

12th June 2020

Dear Parents/Carers

We are looking forward to welcoming your child back to school on Monday. Due to the numbers returning we will only have one year R bubble for the next 2 weeks. This may change in the following weeks if more children decide to return to school but we will keep you informed of any alterations that take place. Next week Miss Cook, Miss True and Mrs Francourt will be staffing the bubble.

Can I just confirm the arrangements for next week:

- There will be no Breakfast club or After school club provision provided by St George's Nursery.
- We will operate a staggered start and finish to the school day. You will need to drop your children to school at 9.10am and collect them at 2pm.
- All children are to be dropped off and collected from the green gate next to the far field. All other gates into school will be locked.
- Only one adult to drop off and collect each day, no siblings and wherever possible can you ensure it a consistent adult.
- Siblings will not be able to be dropped off or collected at the same time if they are in different bubbles. Siblings must remain in the car when it is not their allocated drop off or collection time.
- School will be open Monday – Thursday only. Fridays will be used for teachers PPA time and allow a through clean of the school over and above what will happen on a daily basis.
- There will be no mixing of bubbles during the school day.
- We will promote no physical contact and regular handwashing and good hygiene practices.
- Children will not be able to move between bubbles during any week.
- The staffing of bubbles will be consistent unless there is an emergency, ie staff illness.
- Home learning will continue to be provided for those children who are not in school across all year groups.
- Parents will not be fined for not sending their child to school.
- All children will wear PE kit as we plan to use outdoors as much as possible. Clothes should be regularly washed (ideally daily). I appreciate that you may not have more than one PE T-shirt so a substitute plain T-shirt will be fine. No football kits please.
- All children will require a pack lunch each day. If your child is entitled to a FSM this will be provided. All lunches will be eaten in the classroom or outside.
- No parents will be allowed on school site. If you do need to speak to a member of staff we would ask that you call the school and make an appointment.
- We will be opening the far field temporarily for parking during the drop off and pick up period if it is needed.
- Children will not be allowed to bring any personal belonging from home apart from a sunhat, hand cream, coat, water bottle and packed lunch. We would ask that this is brought to school in a rusk sack type bag. No Book Bags please.
- Could you also send your child with a change of clothes as we cannot use the ones we have in school.
- Sun cream should be applied at home and not brought into school.

- No personal hand sanitizer is to be brought into school.
- All of the bubbles will have access to outside space during the day but there will be no outdoor play equipment allowed.
- If a child displays any signs of illness during the day they will be isolated from the rest of their bubble and school and arrangements made for them to be collected immediately.

We will review the bubbles fortnightly and you will be informed of any changes that take place.

Thank you for your continued support during this time. If you have any question or concerns please email or call me at school.

Take care, stay safe and have a great weekend

Yours sincerely,

Mrs Maria Herbert
