Dear Parents/Carers,

The children have continued to settle back into school this week and it now feels like we have never been away.

Each class has been completing a range of assessments this week. These have been completed in small chunks so as not to overwhelm the children. The information will be used to identify gaps and inform the planning for next term.

Next Friday you will all receive a target sheet for your children. This will provide you with information on the targets for your child in Reading, Writing and Maths.

Thank you once again for all your generous donations to The Food Bank, they will certainly make a difference to Island families.

During the Easter Holidays a group of parents and friends, headed by Mrs Cutts, will be giving our school grounds a make over. If you have any seeds, bulbs or plants to spare please place them in the collection box that will be in the top car park every day next week.

Your child will have come home this week with an envelope containing Sunflower seeds. We would like you to plant them please and then send a photo of how tall they have grown by Sunday 4th July. There will be a certificate and prize for all our green fingered sunflower growers.

We are also holding the Easter Duck Race again this year. Unfortunately as we cannot invite you to join us at the race, we will be recording it and posting it on Weduc.

Please see the post on Weduc and the flyer in the newsletter for details on how to buy tickets. Please share with friends and family to help support our school.

We will be rounding off this very short term with a celebration of New beginnings next week. Each class will be involved in a range of activities throughout the week. Please keep an eye on Weduc, Tapestry and Class Dojo for photos of the activities.

Have a great weekend and see you all on Monday.

Yours sincerely,

Mrs Maria Herbert
