Dear Parents/Carers,

As we move into the next stage of the lifting of lockdown restrictions the DfE guidance to schools remains largely unchanged. We will continue to implement our bubbles system, maintain social distancing as much as possible and continue our enhanced cleaning and hygiene routines. Please continue to wear masks when dropping and collecting your children. Can I also remind you that children are not allowed to bring additional items into school from home. I am hopeful that we will be able to relax the restrictions post June 21st and I will keep you updated as new guidance and information is released.

Our Year 5 Environmental Club have been working hard to find ways to make our school greener. They have noticed that we do not do enough to re-cycle our waste paper so have installed paper collection boxes in each classroom. They are currently working on a variety of green ideas so watch this space for other environmental improvements to the school.

Our Year 2 Gardening Club have been busy planting a variety of vegetables and flowers in the greenhouse and tyres around the edge of the field. We are really hoping they will add colour to our outside space.

Following the success of our Active April we have decided to have a themed week each month. This month we are having Music May. During the week beginning 24th May the children will take part in a different music activity each day. Details of the activities will be posted on Weduc next week.

All of the classes are working hard to achieve their Blue Peter Green badges and have come up with wonderful pledges to reduce wastage and increase their contributions to improving their environment and lifestyle. Thank you for all your support with the pledges at home.

I hope you have a great weekend and we will see you all on Monday.

Yours sincerely,
Mrs Maria Herbert
