Dear Parents/Carers,

Well the announcement on Monday was disappointing but not unexpected. It will not be the end of year we had planned but the children will not miss out and all the events will be recorded and sent out to you. Hopefully this delay will mean we can all enjoy a good summer holiday and return to school in September restriction free.

Thank you for all the smarties tubes that were returned to us, Mrs Hill now has the lovely job of counting all the money. We will let you know the total raised next week.

Today we have raised £294 for the Hospice. Thank you for your generous support, I know it means a lot to Mrs Hirons and Roo. We would like to say a big well done to Jessica Newman who managed to raise £75 by being sponsored by her family to wear an amazing banana costume for the day. We certainly picked a day that needed brightening up with lots of yellow.

The Father's Day raffle was won by Flynn Jones. Thank you for supporting the raffle, we raised £122. Thank you to Asda for donating the Hamper.

I know you would not think it today but as we are in the summer months now, could you please make sure all the KS2 Children have hats in school each day as shade outside is limited.

There was great excitement in year 5 as a world war 2 armoured vehicle appeared at school. One of our year 5 parents, Mrs Flynn, had arranged a special treat from the organisers of the year 5 & 6 trip to Havenstreet on Monday. The children enjoyed seeing the vehicle and being able to sit inside. Thank you Mrs Flynn.

Providing the weather is okay we have decided to have a whole school sports day next Friday, 25th June. Could all the children come to school in their PE kits that day please.

I hope your sunflowers are growing well, we have had a couple that have flowered already, if yours flower please send in photos before the 4th July deadline as we would love to see them.

Have a great weekend, hopefully it will only be wet today.

Yours sincerely
Mrs Maria Herbert
