Dear Parents/Carers,

Well not the Monday we wanted but we will just have to go one step further at the World Cup next year!

We have had a fantastic transition week. All of the children have enjoyed the time they have spent with their new teachers and in their new classrooms. We are all really proud of the way they have coped with the changes. Hopefully they can all enjoy the summer holiday with no anxieties about the new school year.

Your child will have come home with their school report today so please check bags for any that may still be lurking inside them.

Next week we are planning fun activities for the children. On Monday we are having our Mardi Gras concert, all of the children are to come in their classes rainbow colour, details have been sent out by individual class teachers. The concert will be videoed and posted on Tapestry or Class Dojo.

On Tuesday it is our fun day, thank you to all of you who have sent in your £3 contributions. Contributions can still be sent in next week please. All children are to come to school in their PE kits on Tuesday please.

On Wednesday we are having our Leavers Service. Year 6 and their siblings will be attending. All children are to come to school in their uniforms please.

Despite "Freedom Day" on Monday we have decided to keep everything the same in school to, hopefully, ensure you are all able to enjoy your full summer holiday.

I will send full details of arrangements for September towards the end of the holidays as things could still change over the summer.

A little late, I think we were all in shock that Sports Day actually happened. I would like to announce that WATER were the Sports day winners. Well done to all of the children across the school for making sports day so enjoyable and fun.

Have a great weekend and make the most of the sunshine.

Yours sincerely
Mrs Maria Herbert

Awards of the Week

Our school values are **perseverance**, **honesty** and **friendship**. Every week we celebrate a child from each class who has gone the extra mile to show one of our values. The work of the week award goes to a child from each class that has produced an exceptional piece of work. The presentation award goes to a child in each class that has presented their work fantastically.
