Dear Parents/Carers,

Well we made it to the end of the year and what a hot way to end the year.

The children have had a great last 3 days in school. The Mardi Gras performances on Monday were brilliant, all very different and very special. It really showcased the talents of all our children.

Tuesday was a fantastic day with all the children having a super time on the Bouncy Castles. We were all very proud of the way they behaved and demonstrated consideration for each other. The ice cream van provided just what we all needed on such a hot day.

Wednesday was a quieter day in school with the children having the opportunity to reflect on their year, or part year, in school and enjoy some quality time with their current class teacher and support staff.

As always the Leavers Service was an emotional affair. While we are sorry to see our year 6's leave we are all very proud of how hard they have worked this year and what mature young people they have grown into. We wish them all lots of luck as they move onto their Secondary schools.

We would also like to say goodbye and good luck to Cerys, Riley Woodford and Elliot who will also be leaving us today.

It is with great sadness that we say good bye to Mrs Parker. She has been a valued member of our team and we have all benefited from her kindness and support. She will be missed but she has promised to come back and help with events and trips.

There will also be a new face in the front office from September as Mrs Howes is leaving us to enjoy spending more time with her family and exploring the Island.

Lastly I would like to thank all of you for your help and support during a very difficult and disjointed year. We count ourselves very lucky to have such wonderful supportive parents and your super children.

Have a wonderful summer and fingers crossed we will all be back to a new normal in September.

Details of all the arrangements for September will be sent out via WEDUC, Tapestry or Class Dojo later in the holiday.

Yours sincerely  
Mrs Maria Herbert
